

Concert Make-Up for students missing a concert with a legitimate excuse as listed in the choir policies:

1. Provide Mr. Jackson with a written excuse from a parent or doctor describing the reason for missing the performance.
2. Set up an appointment to sing ALL of the songs that you were responsible for singing in the concert. (You may do this alone or bring in someone with you.) You will be asked to sing it by memory just as you would have done at the performance.
3. Check with Mr. Jackson to see what day(s) the concert video is available and see if a TV/VCR is also available in the library to view the video. You will need to watch the entire concert just as you would have done at the performance.
4. Once you have completed both #2 and #3, you will need to complete the written concert evaluation form as students will do in class the day after the concert.
5. Because there are many things that I cannot duplicate from the performance (audience, stage set up, working together with the ensemble, audience behavior, etc.), you will need to do a short extra project to make up for that part of your performance grade. That project needs to be one of the following:
 - A 3-4 page paper on a music topic of your choice. (My suggestion would be to choose a piece you particularly like from this concert, and research the text, or why the composer wrote the piece, etc..)

All of the above things need to be done in a timely matter and should be done prior to the end of the grading period if at all possible. Thank you!
