## Requirements to audition for All State Choir:

- You must be in 11th or 12th grade and meet CHSAA eligibility requirements. (No more than 2 F's on your last semester report card.)
- You must be a participant in your school's vocal music program the entire year.
- You must have a solo selected by Thursday, September 5<sup>th</sup>.
- You must have this application turned in to Mr. Jackson with the registration fee by **Monday, September 9<sup>th</sup>**.
- You need to rehearse with your practice files frequently. You will sign up for four (4) solo coaching sessions with Mr. Jackson and/or Mrs. Hubbard. The sooner you have learned your "notes and rhythms," we can continue by working on other musical aspects of your solo.
- You must set up four (4) 15-minute appointments and practice with Mr. Jackson and/or Mrs. Hubbard beginning the week of September 9<sup>th</sup> until the auditions take place. (You should allow 1 week in between appointments to allow for independent practice.)
- You must attend at least 4 "skills workshops" prior to the audition. The workshops will begin the week of September 9<sup>th</sup>. Check in the choir room for sign-ups. It is recommended that you attend as many workshops as possible.

**If you fail to prepare properly for auditions, you may not be permitted to audition.**

Students will have the opportunity to sing their solos in front of their classmates. Students are encouraged to take advantage of this opportunity, but this is not a requirement.

**I agree to all of the above requirements, and will prepare accordingly for the All State Choir Audition.**
